Original ▲ Copy ▶

- ▶ Available as a custom form or a stocking item

Security Features

1. Pantographs are easily distinguishable across the entire sheet when duplication is attempted: "UNAUTHORIZED COPY" (#04541) or "VOID" (#04542)
2. DupliGard Security Paper watermark on back (on #04542)
3. Artificial watermark clearly stands out when scraped with a coin

Fraud is growing at an alarming rate. According to the National Check Fraud Center, check and document fraud produces over \$13 billion in total losses annually! Paris realizes the importance of maintaining the highest standards of product security and vigilance. DocuGard Security and Medical Papers deliver a higher level of protection and enable you to provide extra value to your customers. By adding these security features into the paper, Paris creates a deterrent that most criminals would want to avoid. MORE DEMAND, HIGHER PROFITS.

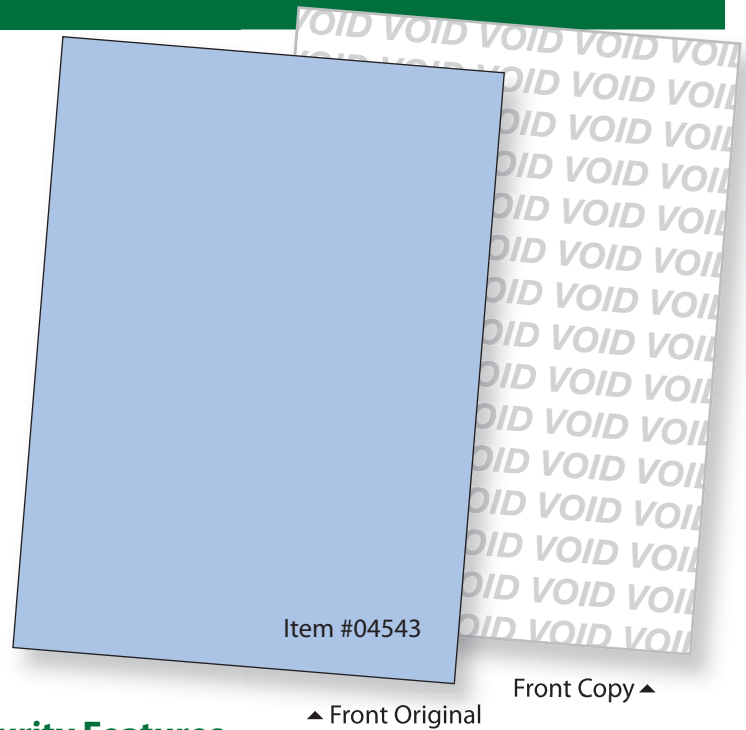

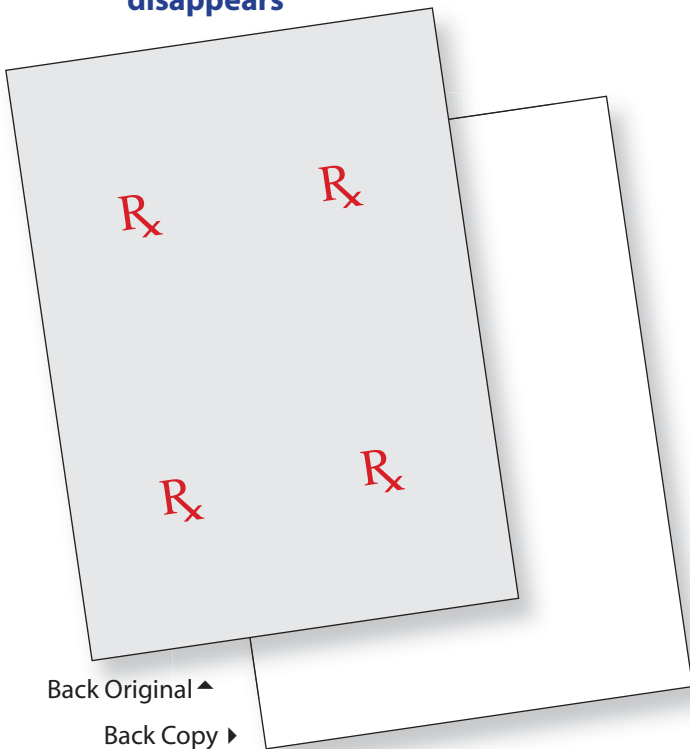

Prescription/ Medical Paper

Item #04543 • 8 1/2" x 11" • 24# • Blue • 5 reams/carton •
2,500 sheets/carton • 32 lbs/carton

- ▶ Designed to ensure originality of confidential documentation
- ▶ Reduces the risk of fraud and ensures authentication
- ▶ Ideal for prescription pads, patient records, tests, CAT scans and MRI's - customization is easy
- ▶ "VOID" pattern appears with attempted duplication
- ▶ Red thermochromatic ink, "VOID" pantographs, artificial watermarks, toner grip, clinically reactive to solvents, invisible fluorescent fibers, coin reactive

When copied, "Rx"
disappears

Security Features

1. Heat-sensitive red thermochromatic ink is instantly visible and verifiable
2. "VOID" pantographs are easily distinguishable across the entire sheet when duplicated
3. Artificial watermarks will clearly stand out when document is scraped with a coin
4. Toner adhesion on both sides of sheet prevents tampering by showing an alteration to the ink or paper
5. Chemically reactive papers will display discoloration if a solvent is used to change information
6. Invisible fibers are woven into the paper for the utmost security

Security Papers are being mandated in many federal, state and local municipalities. Because of this new demand, businesses, hospitals, education systems and financial institutions are requiring security paper for their organizations. This is a great opportunity to satisfy your customers, bring in new business, and generate large profit margins.
